Headteacher: Mrs Amanda Burrow

16th December 2022

Dear Parent/Carer,

As we come to the close of 2022 and the end of our autumn term, it gives us the opportunity to reflect and prepare for 2023.

As ever, there is a vast amount to comment on with each and everyone of our pupils achieving something within the last term. This wouldn't be possible without the hard work of the team within school, and yourselves.

So, on behalf of the governing body, a huge thank you to for supporting the school and to the team for ensuring positive learning always takes place in a welcoming and supportive learning environment.

I have been in school on several occasions and it has always been rewarding to see the continued enthusiasm of our pupils engaging with learning. Governors have conducted a range for monitoring in school and additionally worked with the School Improvement Advisor, completing a writing review.

The overall behaviour of all our children has been positive and this compliments the comments we receive from our visitors into school. Pupils are always pleasant and polite, speaking openly about the Positive Behaviour Policy and also the school's Learning Goals.

Governors have been busy in the autumn term with a full Governor Body meeting taking place coupled with Resources and Pupil Support / Teaching and Learning Committee meetings. We continue to challenge the school to ensure the best outcome for all pupils. We have also undertaken a monitoring morning in school and the feedback from pupils was amazing, it was also a pleasure to see policies and procedures 'in action' and have the opportunity to observe learning in the classrooms.

The attendance in autumn term in the main has been positive but as always there is always room for improvement and I would ask you to be mindful of attendance of your children in the spring term.

Our Christmas concert was a huge success and all our pupils represented Rothwell Victoria Junior School to the highest standard both in their performances and their behaviour.

If you would like to find out more about our Governing Body, please find all information on the school website. Additionally, please find below a list of all governors with their areas of responsibility.

All it remains for me to say is I wish you and your families a peaceful Christmas, a healthy and prosperous New Year.

Your sincerely

Stuart Ward
