### Good Learner

The lucky winner of Learner of the Week this week was **Jayden K** from Green Class.  
Congratulations, a very big well done to you!

We managed a whole school attendance of 96.01% this week. It is great to see an improvement from last week. It was very close between Red and Orange again this week for the overall class winner but Red pipped them with a superb 99.35%. Fantastic again, Red Class! We had 136 children with 100% attendance so very well done to them. A reminder that we have a class Pizza Party towards the end of term for the class who have had over 96% attendance the most times so it's something for the children to look forward to.

**The individual winner was Dalton I (Orange Class) Well done!**
