### Road Safety

Whilst the school puts out traffic cones to avoid parking and increase visibility on the road leading up to school, we frequently have vehicles driving in and out of the school as staff arrive or deliveries are made. We have become increasingly concerned regarding the behaviour and vigilance of some of the children whilst waiting for school to open.

Please can you take some time to remind your children to be observant when walking both on the pavement and when crossing the road to school. Ensure they are aware their behaviour should be road safe at all times.

### Run Mason Run!

On Thursday, Mason C (Orange Class) represented our school in the Leeds Cross Country final at Temple Newsam. He raced against 14 other year 5 runners from schools across Leeds. We are so proud that he has represented our school and tried his best with his race. Well done Mason!

### Leeds Rhino's Tickets

Thank you to all those who purchased tickets for the Rhinos' game v Hull via Parent Pay. The order has been placed with the Rhinos today and we will contact you via Parent Hub once they have arrived at school for collection.

### NSPCC Number Day

Today we have been supporting the NSPCC by taking part in Number Day. All classes have enjoyed a fun day of Maths activities and we have been so impressed with some of the creative outfits as part of the *Dress up for Digits* theme. Thank you so much for your generous donations. All the money raised will make an enormous difference to children today and help NSPCC prevent abuse and be there for children and their families.

### Absence

If your child is not going to be in school for any reason, please make sure that you contact school to let us know. This can be done via telephone or by emailing [office@victoria-jun.leeds.sch.uk](mailto:office@victoria-jun.leeds.sch.uk) If children are absent and we are not aware of the reason, then the absence will be recorded as unauthorised.
