Good Learner

The lucky winner of Learner of the Week this week was **Twinkle N** from Blue Class.
Congratulations, a very big well done to you!

We've had a fantastic whole school attendance of 97.41% this week, smashing our whole school target of 96%. Four classes managed over 96% this week and we have joint winners with Indigo and Green both achieving 99.23%. This is so good to see and means another class is up for the Pizza Reward! We still have plenty of time though for full attendance from each class to try and win the Pizza Afternoon reward. Congratulations to the 147 children with 100% attendance.

The individual winner was Leoni C (Red Class) Well done!
